Hayden Foundation gets new look

We’re thrilled to share the Hayden Foundation’s new logo and brand. The logo draws on familiar elements of our faith, such as the Eucharist and Rose windows. The brand is a tool that represents both the legacy and the future of the Hayden Foundation.

It was important for this logo to be different from the new Hayden school logo, while remaining closely tied, echoing the mutual relationship between the school and the foundation.

Gala delights supporters

We had a wonderful time celebrating Hayden Catholic High School at the 42nd Annual Blue & Gold Gala.

Thank you to all of our donors, sponsors, volunteers, and attendees who helped make the event such a delightful success.

The net profits for the school totaled approximately $230,000, with $81,000 raised for student financial assistance. This support is so crucial to the success of our school, because one out of every three Hayden students receive financial assistance.

Mark your calendar now for next year’s gala on April 18th, 2020.

Greg Schwerdt is an active leader in the Topeka community, serving on the University of Kansas Health System St. Francis Campus Board of Directors, and the Greater Topeka Partnership Go Topeka board, among many other activities.

Greg has been recognized for his service and devotion to the Topeka community and the Catholic faith community in many different capacities. He graduated in 1972, the second generation of his family to emerge from Hayden. He went on to complete his architecture education at the University of Kansas. He started Schwerdt Design Group in 1990. As a multi-disciplined architectural, interior design, and planning firm, Schwerdt has been intimately involved with Hayden’s remodeling projects in the past and is currently helping strategize for future growth and campus renovations.

Greg is a devoted father to his children, which include Megan, president of Schwerdt Contract Interiors, her husband Jason and their son Edison. He’s also dad to daughter Jordan, a student at UCLA, and son Corey, a 2003 graduate who passed away in 2017. Thank you, Greg and Schwerdt Design Group, for being such strong supporters of Hayden for more than 30 years!
