Celebrating \$1 Million Milestone

For the first time in memory, Hayden exceeded \$1 million in development revenue in a year. This is quite an achievement and it's only possible because of the giving hearts of the Hayden family. The funding was directed toward the operations of the school and completing campus projects.

Thank you to the Alumni, Donors and Parents who continue to make all of our school's improvements possible! Check out @Haydenalumni on Facebook for photos of the recent projects!

Join the Reunion Giving Challenge

We're so proud of Hayden Alumni from every class year! In honor of the 40th reunion of the Class of 1979, an anonymous donor from that year has issued a challenge to every member of the Class of 1979, every Hayden graduate from years ending in "9" or "4," and all Hayden alumni from every graduating class.

The Class of 1979 is challenged to raise \$15,000 before Homecoming on October 11, 2019. The reward for meeting the challenge is an additional \$15,000 that will be contributed to Hayden Catholic High School in honor of the class.

But there's a twist that adds competition and fun. If the Class of 1979 does not raise \$15,000 by homecoming, the anonymous donor will contribute the funds to the school in the name of the class that raises \$15,000 or more for Hayden. Any class that meets the challenge will be recognized at halftime and a brick in their honor will be placed in front of the school.

The goal of the challenge is for all alumni from each class to participate. The funds from the anonymous donor are unrestricted to be used where the school needs it the most. However, you can choose to direct your donation to any area, such as a scholarship fund or the Hayden Project Wishlist.

Join the challenge! Donate online at haydencatholic.org/donate or call the school at (785) 272-5210.

SCHWARTZ FAMILY SPOTLIGHT

Mark and Terry Schwartz are the parents of two Hayden alumni and longtime fixtures and supporters of the Hayden family.

Mark served many years as the chair of the Hayden Foundation Board, beginning shortly after the Foundation was created. He also served on the Board of Trustees. Terry served in the PACE office when their daughters Kelly and Jana attended Hayden.

More than anything, Mark and Terry are grateful for the influence Hayden had on their children. They believe the education their daughters received prepared them for college and life beyond school. Both daughters maintain strong friendships with their Hayden classmates. In 2018, the Schwartz Family Scholarship was established.

Thank you Mark and Terry Schwartz for all you do for the Hayden family!
