### SPOTLIGHT: The Letourneau Family

The Letourneau family has been advocates and active supporters of Catholic Education for decades.

Gerald and Betty Jo Letourneau had four children, all of which graduated from Hayden - Mike, Edward, Louise & Paul. They also have five grandchildren who are Hayden alumni - Jared, Joshua, Julie, Michelle & Steven.

Gerald and Edward are Past Presidents of the Hayden Board of Trustees. Edward and Lisa Letourneau were founders and organizers of "Hark! Topeka's Christmas Spectacular" which raised over \$145,000 for Hayden Music and other beneficiaries.

The Letourneau Family continues to support Hayden, and encourages everyone else to support this great institution with their time, talent, and treasure.
