Rejoice Always

The dedicated work by everyone at Hayden this past year has been remarkable. In addition to providing education in multiple formats to our students, we rallied together and donated funds to provide tuition assistance for our Hayden families. We came together to give input and expertise into our plan for the future of Hayden. Our Continuous Improvement Plan was shared in November with all of the Hayden Community. In 2020 our hope and faith in Christ has guided us to trust in him and in one another. PEACE in our lives and in our world is a gift from God. May you have a joyous advent season and a Merry Christmas. Our best days are ahead of us and with God’s grace, mercy and guidance we will continue to do his work.
